

# Make a Difference: VOTE Nov 2nd

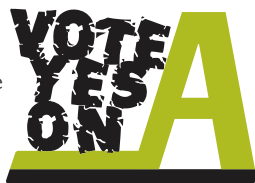

## No on 23: Stop the Dirty Energy Prop!

In 2006, California passed Assembly Bill 32, designed to fight global warming, improve our environment, and create thousands of clean energy jobs. The only losers? Texas oil companies and their profits! That's why they're pushing Prop 23 to roll it back! Say no to Dirty Energy! No on 23! [www.StopDirtyEnergyProp.com](http://www.StopDirtyEnergyProp.com)

## Yes On A: Seismic Retrofits

Prop A funds seismic retrofits for certain types of low income and affordable housing in San Francisco. Since much of our landfill waste comes from building demolition, Prop A is the environmental choice as well as the public safety choice. Vote Yes on A!

## No On L: Sidewalks are for People!

Prop L makes the act of sitting in a chair on the sidewalk outside one's home illegal. Unnecessary at best, destructive to the social fabric at worst, Prop L is a bad idea that will erode public life in San Francisco.

Vote No on L! [www.sidewalksareforpeople.org](http://www.sidewalksareforpeople.org)

Hoehn

Maufas

Mendoza

## Hoehn, Maufas & Mendoza for School Board

The current School Board is making good strides on many fronts, including environmental issues. To continue this progress, we recommend two dedicated incumbents, Kim-Shree Maufas & Hydra Mendoza, and newcomer Natasha Hoehn. [www.kim-shree.org](http://www.kim-shree.org)

Grier

Rizzo

Wong

## Grier, Rizzo, & Wong for Community College Board

The Community College Board is making progress on issues like green buildings and clean-tech jobs training at City College. In addition to John Rizzo, an environmental leader; we recommend incumbents Anita Grier & Lawrence Wong. Kim

## District 6 Supervisor: Kim, Walker, Meko

District 6 has several good choices for Supervisor. Jane Kim's experience as a long time community organizer; followed by her years at the School Board (including her time as board President) has shown her to be an effective

and thoughtful environmental leader. Her recent work on the School District's Sustainability Policy has fostered a new era of green practices throughout the system. Smart, committed, and dynamic, Jane Kim is our #1 choice. Our second and third choices are also long time community activists: Debra Walker & Jim Meko. Ammiano

## Tom Ammiano for State Assembly

From his work on the School Board, to his many years of service on the Board of Supervisors, and now in his two years in the State Assembly, Tom Ammiano has been one of the strongest votes for the environment. From transit to air quality, from PUC

reform to green buildings, Tom has fought for it all. We strongly endorse him for State Assembly. Re-elect Assemblyman Ammiano! [www.tomammiano.com](http://www.tomammiano.com)

This election is a critical one for the environment: At the state level, it's a clear choice between continued environmental progress and a vast rollback of environmental protections.
